The shipper certifies that the particulars on the face hereof are correct and that no part of the consignment contains dangerous goods. It is agreed that the goods described herein are accepted in good order and condition for carriage subject to the terms and Conditions of Contract. The shipper attention is drawn to the notice concerning carriers limitation on liability. Government regulations require that international air cargo be security cleared in accordance with the current regulated security program and security measures directed by the Australian Department of Infrastructure, Transport, Regional Development and Local Government. The shipper will be aware that cargo will be subject to security and clearing procedures and that it is illegal to consign as cargo and unauthorised explosive device. I hereby authorize the Airfreight Baggage Company, upon receipt of the above consignment, to security clear, prepare the shipping documents, and despatch the above consignment in accordance with the Airfreight Baggage Company's terms and conditions of contract, which are available on request. This also includes permission to open and inspect the goods for the purpose of fulfilling security requirements, and to remove and dispose of any items which are prohibited for carriage by air. All consignments are paid for to the airport of destination. It does not include any charges incurred at the airport of destination.
